

Dear _____

Thank you for helping sponsor one of our adoptable homeless pets. The staff at Founders Veterinary Clinic has been working hard to keep pets off the streets and out of death camp animal shelters. We provide:

- Necessary medical care.
- Daily exercise and playtime.
- Good food to keep them healthy.

That is why your help is greatly appreciated! Your contribution to **Founders Pet Sponsorship Fund** helped “Tigre” and “Panda” find great family homes and continues to help animals still in our foster care.

We hope you will continue to partner with us and support our rescue efforts.

Together, you and Founders Veterinary Clinic make pet dreams come true!
